EVERYONE IS TALKING ABOUT.

1 BIG POPLAR II ENTERTAINMENT & MIXED-USE DEVELOPMENT

441 Poplar Road | Near Newnan Crossing Bypass

A rezoning request has been submitted for approximately 12.746 acres at 441 Poplar Road for C-9 (outdoor amusement/entertainment) use as part of a larger 65-acre development. The proposal includes possibilities such as a driving range or miniature golf, pickleball and other recreational uses, a dog park, amphitheater, seasonal skating and food and beverage options.

The broader development plans also include retail, restaurants and hotels as part of a larger mixed-use project.

AT A GLANCE

2 DATA CENTERS: TWO DIFFERENT PROJECTS

PROJECT OAK REZONING DENIED

Coweta County Commissioners unanimously denied the rezoning request in August 2026 for the industrial property off Walt Sanders Road that was proposed for a large data center campus.

PROJECT SAIL PLANNED PROPOSAL

A large data-center campus is proposed near Newnan. The developer's current plan includes 9 buildings and 4.34 million square feet. This project remains a planned proposal and has generated significant community discussion regarding development, infrastructure, power, water, noise and preservation of rural areas.

- 4.34 million square feet
- Planned proposal (in review process)
- Ongoing community discussion

3 COWETA 2026-2046 COMPREHENSIVE PLAN A 20-YEAR VISION FOR OUR COMMUNITY

COWETA COUNTY
2026-2046
COMPREHENSIVE PLAN

Coweta County adopted its 2026-2046 Comprehensive Plan on September 22, 2026. This plan serves as the county's long-range roadmap for growth, land use and infrastructure. It helps guide future rezoning decisions, development and investment over the next 20 years.

WHY SHOULD I CARE?

Where homes, businesses and industry are built affects traffic, roads, housing, utilities, property development and the overall character of Coweta County. This plan helps ensure growth is thoughtful and supports a stronger community for the future.

FRONT PORCH CHATS

SEPTEMBER GUEST SPOTLIGHT

Michele LoRé

*Candidate for Coweta County
Commissioner, District 3*

Michele LoRé is a small business owner, a physician assistant with 15 years of experience, and a Newnan resident whose family has called Coweta County home for more than a decade.

3 QUESTIONS *with* Michele

1 As Election Day approaches, what is the one thing you want Coweta County voters to know about you and why you chose to run as a write-in candidate?

I'm a regular member of this community who stepped forward because I saw decisions being made that could permanently change the place we call home. I'm running as a write-in because I believe Coweta residents deserve a stronger voice — not one driven by developers, special interests, or a political machine. I want the people who live here to have a real voice in what happens here.

2 If elected, what would be your top priorities for District 3 and Coweta County during your first year in office?

My first year, I would focus on three things: protecting Coweta through responsible growth, bringing residents into the decision-making process, and making sure taxpayer dollars are being spent wisely on the services our community actually needs.

3 Regardless of the outcome, what has this campaign and the support you've received from the community meant to you personally?

This campaign has meant more to me than I ever expected. The support from this community — the encouragement, prayers, volunteers, signs in yards, and trust people have placed in me — has reminded me what makes Coweta so special. No matter what happens on Election Day, I will keep showing up, speaking up, and being a voice for the community.
